Black Tower

Black Tower is Germany's most widely exported branded wine. With its fresh appealing style it meets the needs of today's ever more discerning consumer. A combination of selected grapes from prime wine-growing areas and careful vinification ensure Black Tower wines are always enjoyable. Rivaner is one of the traditional grape varieties within the Black Tower family. Its German synonym 'Müller-Thurgau' is related to the longstanding tradition of German winemaking. Black Tower interprets this grape variety in a modern way in terms of winemaking and vinification. Fermented at cool temperatures and with a lively combination of gentle sweetness and a full body Black Tower Rivaner is a timeless classic.
