Black Tower

Black Tower is Germany's most widely exported branded wine. With its fresh appealing style it meets the needs of today's ever more discerning consumer. A combination of selected grapes from prime wine-growing areas and careful vinification ensure Black Tower wines are always enjoyable. The grape variety Riesling is known as Germany's most important vine cultivar. It is often blended with the variety Gewürztraminer, which provides rich musky flavours with notes of lychee and rose. The combination of these two varieties is very popular in Germany and therewith a perfect ambassador to German winemaking.
