Kendermanns

Kendermanns is the dynamic German wine brand that provides high quality, contemporary wine styles and meets the individual needs of today's consumers by offering a wide range of outstanding value wines. A good Pinot Grigio does not only come from Italy, but also from Germany, especially from the Pfalz. The Pfalz is one of Germany's key wine-producing regions and is situated in the southwest, across the border from Alsace. The weather here is generally sunny and dry, allowing the grapes to reach optimum ripeness.
