0,75 L

Black Tower is Germany's most internationally recognized branded wine. With its fresh, approachable style, it perfectly meets the expectations of today's increasingly discerning consumers. Carefully selected grapes from renowned wine-growing regions, combined with meticulous vinification, ensure consistently high quality and pure drinking pleasure in every bottle.

Black Tower Riesling Gewürztraminer is an expressive and aromatic white wine that brings together the freshness of Riesling with the floral, exotic character of Gewürztraminer. Delicate notes of citrus, ripe pear, lychee, and a hint of rose create an inviting and fragrant aroma.

On the palate, it is smooth, lively, and well-balanced, with gentle fruitiness and a refreshing finish. Easy to enjoy and full of charm, this wine is perfect for relaxed moments — whether with light dishes, spicy food, or simply on its own.
